MEETING DATES SUBJECT TO CHANGE

2023 Landscape Waste Collection Options

In conjunction with garbage and recycling services, Groot offers landscape waste collection seasonally between April 1st and November 30th.

Weekly Collection

Groot collects landscape waste weekly on the same day as garbage and recycling (Monday).

All landscape waste must be placed in "Kraft" paper bags or plastic containers labeled "landscape waste". Containers cannot exceed 33 gallons or 50 pounds.

Any branches must be cut and bundled with biodegradable natural fiber twine. Bundles cannot exceed 2 feet in diameter by 4 feet long or 50 pounds.

A waste sticker is required for each bag, container, or bundle of landscape waste set out for collection. Stickers cost \$3.10 and are available at Village Hall or online at www.groot.com.

In addition to weekly collection, Groot offers the following landscape waste collection options:

Spring Clean-Up

On April 24th, Groot will offer **FREE** landscape waste collection. Stickers are not required; however, landscape waste must be placed in bags or containers.

One-Time Pick-Up

The one-time pick-up option includes collection of up to six (6) containers of landscape waste for a one-time charge of \$13.00.

Subscription Program

The subscription program includes collection of up to six (6) containers of landscape waste per week (Apr – Nov) for an annual charge of \$120.00.

To schedule a one-time pick-up or to enroll in the subscription program, contact Groot at (877) 404-7668. Groot will bill directly for these services.

For more information on garbage and recycling services, contact Village Hall at (847) 740-6982.

###

Cart Exchange Program

Enrollment for the garbage/recycling cart exchange program will take place between February 1st and March 15th.

Residents may request a smaller garbage cart or a larger recycling cart.

For more information, or to enroll in the cart exchange program, please visit www.villageofvolo.com/groot.

Smoke Detectors

Daylight Savings Time begins Sunday, March 12th at 2:00 AM.

Fox Lake and Wauconda Fire encourage residents to change the batteries in their smoke detectors when they change their clocks.

It is estimated that while 90% of households have smoke detectors, one-third have dead or missing batteries.

Building Permits

Residents are reminded to contact the Building Department prior to making improvements to their home or property.

The Village Code requires building permits for many exterior and interior improvements.

For more information, or to obtain a permit, please contact the Building Department at (847) 740-6982 prior to making any improvements.

Community Garden

The Community Garden is located on the Burnell C. Russell Municipal Complex, south of Village Hall.

Plots (10' x 10') are available for planting between May 1st - November 15th. The fee is \$30.00. Plots are available on a first-come first-served basis.

For more information, or to reserve a plot, please call Village Hall at (847) 740-6982.
